

# The Campaign for Community Memorial Hospital

## CARING FOR YOUR FUTURE

The goal of the Campaign for Community Memorial Hospital is to provide funds for renovations, capital equipment purchases and growth of the endowment. The challenges facing New York State hospitals – the physician shortage, the constant pressure of reimbursement rates and the astronomical cost of technology and sophisticated but necessary equipment -- put a heavy burden on even successful healthcare facilities. Your support is greatly appreciated.

**The Campaign for Community Memorial will help finance projects such as these:**
